The CARE Program offers confidential, safe and culturally appropriate education and advocacy services to Native American victims of domestic violence, sexual assault, dating violence and stalking, as well as victims associated with Native families, such as a non-native spouse.

An advocate is available to provide assistance to access services, including personal protective orders, shelter or housing, Tribal program information and other program resources.

It is the Program’s mission to educate and empower our community to live a healthy, non-violent lifestyle that strengthens spirit for future generations.

SELF Support Group

Support group that focuses on Safety, Emotions, Loss and Future for those who have experienced trauma in their life. The group meets the first Thursday of each month from 5:30-7:00pm at the Hee Hee Illahee RV Resort. If you have questions or would like more info, call Kimberly or Kira.

PLEASE NOTE THAT DUE TO CULTURE CAMP, THIS WILL BE CANCELLED FOR THE MONTH OF JULY.

Every month, the Siletz Tribal Change Team hosts a community talking circle for the American Indian Lesbian, Gay, Bisexual, Transgendered, Queer (LGBTQ), Two-Spirit community and its allies. The goal of the Talking Circle is to create a safe and confidential space for the community to discuss the struggles, triumphs and concerns of the LGBTQ Two-Spirit Community. This is also a place for friends and family to receive advice, support, and education as they continue their journey as an ally.

The Siletz Tribal Change Team works to improve the services utilized by the LGBTQ and Two-Spirit community. The team works to create awareness, provide education/resources and change the culture of the Native community to be more accepting of its LGBTQ and Two-Spirit individuals.

The Talking Circle is held on the second Wednesday of each month from 5.00-7.00pm

Cut Wood For The Elders Day

The Tribal Natural Resources Committee and Natural Resources Department will sponsor the second "Cut Wood For The Elders Day" of the year on **Saturday, July 16th**. The woodcut will be held on the **Tribe's Logsdon Road Property between the Tribal Food Distribution Warehouse and the Tribal Vehicle Storage Yard in Siletz**. We need lots of volunteers to help cut, split and deliver firewood for Tribal elders. Bring your chainsaws, hydraulic wood splitters, splitting mauls, axes, and lots of energy. Even if you don't have any of those we can use the moral support! Lunch, drinks, and snacks will be provided. We will start at **8:00 AM** and go until mid-afternoon.

The goal of this event will be to deliver firewood to as many elders as possible. The Elders' Program maintains a list of elders that burn wood for their winter heat. People willing to haul firewood to elders outside of the Siletz area, please contact the Elders Program Clerk at 1-800-922-1399 ext. 1261 or 541-444-8261 to be paired up with an elder in need. We especially need folks who can haul wood to the Eugene, Salem, and Portland areas. Elders in need of firewood should also contact the Elders Program Clerk to get their name on the delivery list.

If you have parents or grandparents that burn wood in the winter to stay warm, you need to help out at this event! Come help replenish those wood piles for the coming winter. There will be one more woodcut this year on September 17th.

Lisa and I attended the National Conference of Food Distribution Programs on Indian Reservations (NAFDPIR) 29th annual conference in June, which was held in Traverse, Michigan. We got news that our program was chosen to be a western region pilot program to distribute whole eggs. The whole eggs will replace the powdered egg mix in the food package. Each family member will be eligible to receive 1 dozen eggs per month. So if you have a household of 4, you would be eligible to receive 4 dozen eggs. How "egg" citing is that! We can start ordering eggs in August, and they will be shipped by our fresh produce vendor.

In August we should also be allowed to order the frozen whole wheat tortillas. These will be another great addition to the food package. They will be in the cracker category on the shopping list.

USDA is also looking for a vendor to provide sockeye salmon steaks for the program. This is still a ways down the road, but definitely will happen. Also, wild rice is on it's way and the apple/cherry juice too.

Big Things are happening in the program!

If you are on the SNAP program and not receiving enough to get you through the month, give us a call and we can check to see if you qualify for our program. You can also go to the Siletz Tribal website and download the application and get it sent to us. We can try to get you certified and get your food to your household. The income guideline is also on the website.

I am posting recipes, distribution dates, pictures and food safety tips on Facebook: SILETZ TRIBAL FDPIR.

The Siletz Tribal Vocational Rehabilitation program (STVRP) is here to assist **members of any federally recognized Tribe** (living within the Siletz Tribes service area) with overcoming impediments to employment. We work with a diverse population of individuals who have disabilities ranging from cognitive impairments to physical limitations.

If you have a documented disability that creates limitations or prevents you from doing the work you desire or are qualified for we would like to assist you. We can assist with obtaining and maintaining employment and developing skills. We focus on motivation, identifying your abilities, skills that lead to successful employment and the development of self advocacy.

You should have a strong desire to work and be willing to work collaboratively with STVRP staff to provide you with the services needed to overcome your disability. Your personal goal should be self sufficiency and to live a healthy sustainable lifestyle.

The STVRP also assists transitioning students with disabilities. The ideal age for a student to start working with VR is two to three years before graduation, until the age 22, or graduated from high school. Our program can provide vocational guidance and counseling; assist with identification of employment goals; employment retention; and advocacy within the academic environment. Students with a documented disability or who are on an "Individualized Education Plan-IEP" or on a "504 Plan" are encouraged to participate in the STVRP. Examples of SERVICES PROVIDED by STVRP:

- Guidance and Counseling
- Referral to Services
- Employment Services
- Portfolio Building, Resume Writing, Interviewing Techniques, Job Coaching
- Culturally Relevant Individualized Services
- Evaluations and Assessments
- Training Placement Opportunities
- Adaptive Equipment

For more information about the STVRP, please inquire at 1-800-922-1399. We also maintain resource and employment boards so please stop by if you're interested. You can speak to any of the VR staff: **In Salem Office** - Dana Rodriguez (Program Aide); Angie Butler (Program Director).

Want help getting a job? Do you have a diagnosed disability (IEP or 504)?

You could be eligible for STVRP services.

Steps in working with Siletz Tribal Vocational Rehabilitation Program:

Step 1: Establish contact with the STVRP Counselor assigned to your school and schedule a meeting. Your first meeting with a STVRP Counselor will be to gather information about you, your needs, and to discuss whether the STVRP fits for you.

If the program is for you.....

Step 2: Sign an application and a STVRP Counselor will determine whether or not you're eligible for services by talking with you about your needs, your disability, and what barriers you have as a result. They may also need to do some additional testing and will read through your school records.

Step 3: Once you're eligible, you'll meet with your STVRP Counselor to discuss your goals and plans for employment.

STVRP Counselors can provide guidance and counseling to students who need help determining their goals or plan for what they want after high school.

Step 4: You'll also work with your STVRP Counselor to discuss the impact of your barriers as you work to reach your employment goals and determine what services are necessary to help you reach your goals.
