The CARE Program offers confidential, safe and culturally appropriate education and advocacy services to Native American victims of domestic violence, sexual assault, dating violence and stalking, as well as victims associated with Native families, such as a non-native spouse.

An advocate is available to provide assistance to access services, including personal protective orders, shelter or housing, Tribal program information and other program resources.

It is the Program’s mission to educate and empower our community to live a healthy, non-violent lifestyle that strengthens spirit for future generations.

SELF Support Group

Every month, the Siletz Tribal Change Team hosts a community talking circle for the American Indian Lesbian, Gay, Bisexual, Transgendered, Queer (LGBTQ), Two-Spirit community and its allies. The goal of the Talking Circle is to create a safe and confidential space for the community to discuss the struggles, triumphs and concerns of the LGBTQ Two-Spirit Community. This is also a place for friends and family to receive advice, support, and education as they continue their journey as an ally.

The Siletz Tribal Change Team works to improve the services utilized by the LGBTQ and Two-Spirit community. The team works to create awareness, provide education/resources and change the culture of the Native community to be more accepting of its LGBTQ and Two-Spirit individuals.

The Talking Circle is held on the second Wednesday of each month from 5:00-7:00pm

ENROLLMENT NEWS

ADDRESS UPDATES FOR PER CAPITA CHECKS

The last day to get your address updated in time for your per capita check to be mailed to a new address is by the close of business July 15th. Any address after that date will affect the mailing of per capita checks, causing a delay in receiving it. Please see the information below about address changes. For the full policy regarding per capita checks, please see the Tribal Member Distribution Ordinance on the tribal website www.ctsi.nsn.us.

ADDRESS CHANGES

If you have recently moved, even if you have a forwarding address on file with the post office, please get your Address & Contact Information Update form as soon as possible. You can get the form on the tribal website, from any area office or contact Enrollment to have one mailed to you.

Please note: "General Delivery" will no longer be acceptable as a mailing address as it is only temporary and the post office will only hold mail for a limited time for delivery. We have had a large amount of "General Delivery" mail returned and this is not effective in getting mail to tribal members when we need to. It is much better to rent a post office box if you are not able to use a permanent address somewhere else. If this is a concern for you or someone on the Missing Moccasins List, call Enrollment and we will work with them to figure out a permanent address solution.

MISSING MOCCASINS DO NOT RECEIVE THEIR PER CAPITA CHECKS ON TIME!

Please check the Missing Moccasin List. If you know anyone on that list please let them know they must provide Enrollment with a valid address by the deadline. Are you a parent of a minor tribal child (or know one) who has not received a recent statement for their Minor Trust Account? It could be that your child is a missing moccasin. You also need to submit an address update.

Most Forms of moderate exercise are safe and beneficial for most otherwise healthy people. Elders and all participants with diabetes, chest pain, unexplained dizziness, or known heart disease should get permission from their health care provider in order to register. If you are an adult, we will trust that you will take care of this yourself.

When starting an exercise program, I understand the importance of starting slowly, staying at a comfortable pace, increasing speed and distance gradually, and seeking medical attention for chest pain, palpitations, dizziness or fainting, or any other unexplained problems.

Siletz Tribal Vocational Rehabilitation Program

The Siletz Tribal Vocational Rehabilitation program (STVRP) is here to assist **members of any federally recognized Tribe** (living within the Siletz Tribes service area) with overcoming impediments to employment. We work with a diverse population of individuals who have disabilities ranging from cognitive impairments to physical limitations.

If you have a documented disability that creates limitations or prevents you from doing the work you desire or are qualified for we would like to assist you. We can assist with obtaining and maintaining employment and developing skills. We focus on motivation, identifying your abilities, skills that lead to successful employment and the development of self advocacy.

You should have a strong desire to work and be willing to work collaboratively with STVRP staff to provide you with the services needed to overcome your disability. Your personal goal should be self sufficiency and to live a healthy sustainable lifestyle.

The STVRP also assists transitioning students with disabilities. The ideal age for a student to start working with VR is two to three years before graduation, until the age 22, or graduated from high school. Our program can provide vocational guidance and counseling; assist with identification of employment goals; employment retention; and advocacy within the academic environment. Students with a documented disability or who are on an "Individualized Education Plan-IEP" or on a "504 Plan" are encouraged to participate in the STVRP. Examples of SERVICES PROVIDED by STVRP:

- Guidance and Counseling
- Referral to Services
- Employment Services
- Portfolio Building, Resume Writing, Interviewing Techniques, Job Coaching
- Culturally Relevant Individualized Services
- Evaluations and Assessments
- Training Placement Opportunities
- Adaptive Equipment

For more information about the STVRP, please inquire at 1-800-922-1399. We also maintain resource and employment boards so please stop by if you're interested. You can speak to any of the VR staff: **In Salem Office** - Dana Rodriguez (Program Aide); Angie Butler (Program Director).

Want help getting a job? Do you have a diagnosed disability (IEP or 504)?

You could be eligible for STVRP services.

Steps in working with Siletz Tribal Vocational Rehabilitation Program:

Step 1: Establish contact with the STVRP Counselor assigned to your school and schedule a meeting. Your first meeting with a STVRP Counselor will be to gather information about you, your needs, and to discuss whether the STVRP fits for you.

If the program is for you.....

Step 2: Sign an application and a STVRP Counselor will determine whether or not you're eligible for services by talking with you about your needs, your disability, and what barriers you have as a result. They may also need to do some additional testing and will read through your school records.

Step 3: Once you're eligible, you'll meet with your STVRP Counselor to discuss your goals and plans for employment.

STVRP Counselors can provide guidance and counseling to students who need help determining their goals or plan for what they want after high school.

Step 4: You'll also work with your STVRP Counselor to discuss the impact of your barriers as you work to reach your employment goals and determine what services are necessary to help you reach your goals.

Happy Summer!

A BIG thank you to Angelica Espino for the necklaces and Monique Henry for the bracelets gifted to all of our children. We also would like to thank the Siletz Tribal Head Start Parent Committee for purchasing teeshirts and books for each student. We want to wish everyone a wonderful summer!
