Healthy Traditions (HT)

Summer's Bounty

By now, most gardeners have been enjoying the fruits of their hard work, and PAO's Healthy Traditions, Garden Club is no exception. For the next few months we will be featuring the gardens of Siletz tribal members, starting with Sherry Addis' garden.

Planning the Garden

Since my proposed garden area is partially shaded. I made a "sun map" of my garden, to find where I had 6 or more hours of sun. Early one morning, I drew rough lines where the sun is shining or where shadows are cast with a note as to the time. I repeated this every hour until the sun is passed the area. Then I could see where to site the garden.

I was inspired by a garden plan below, that I saw in the book: "Starter Vegetable Gardens, 24 No Fail Plans for Small Organic Gardens". I chose "The easy care bag garden", which

allowed me to incorporate "no weed gardening techniques", that reduce weeds by disturbing the soil as little as possible.

Planting the Garden

Last year, I removed the grass with a weed eater, placed landscape fabric over the garden

area, placed twelve 40lb. bags of soil, and then planted as directed.

This year, I replaced the bags with raised beds and, used the soil from last year (1 part) mixed with new soil (2 parts) and fertilized. Next, I planted: 2 tomatoes, 2 eggplant, 4 peppers, and 1 kale that were grown from seed by our HT group. I transplanted: Thyme, sage, chives, basil, day lily, verbena, dahlias, and marigolds to complete the garden. So far this year, the garden is thriving, and I have only pulled 3 weeds!

Community Health

Diabetes Support Group And Wisdom Warriors

By Dr. Jill Price DMD, PC

Do you know when it is time to replace your toothbrush?

They say it is every three months, but that is not always a perfect way of knowing. For the most accurate determination, you need to look at your toothbrush. If you notice that the bristles are splayed out, this is a good sign for replacement. The bristles will also become more translucent in most cases. You want bristles that are straight and soft in order to get the most debris off of your teeth. If this is not what you have, it is time to invest in a new toothbrush or a new head if your toothbrush is powered. Be good to your teeth and gums, you want them to last a life time!

Our August Diabetes Support Group luncheon and Wisdom Warriors meeting will be held at our annual picnic in the park. See page 1 for more details.

**Picnic at Mt Scott Park:
Wed., Aug. 22nd. 2018
11:30to 4:00 PM**

I will be providing lots of healthy salads, fruits and veggies. Hope to see you at the picnic. All tribal members and their families are welcome!

Congratulations to Our 100 Mile Club Participants!

The challenge ended on July 31, 2018! We had 26 starters and a whopping 19 participants finish the Challenge!!! Yahoo! You all have done a fantastic job of keeping moving and checking in with me about your steps and exercise minutes! They all counted. Everyone reached the 100 miles and a few made it to 500 + miles ! Very active and healthy individuals Extra Congrats to you! Great job Everyone! I have water bottles, and t-shirts for everyone. I know many have not received either one yet. So please come by the office to say hi, and pick up your well earned gifts.

Thanks so much for participating in the 2018 100 Mile Exercise Challenge!

Signs Your Toothbrush Has Seen Better Days

Your PAO has new toothbrushes and toothpaste along with other Over The Counter (OTC's) products for all tribal members and their family members.

Attention Siletz Tribal Members!

Siletz Home Visiting Program

Our Siletz Home Visiting Program provides parenting and life skills for successful and positive parenting. We serve native families in our 11 county service area who are expecting or have an infant less than 12 months old. The program continues until the child turns three.

The model and curriculum we use is Family Spirit developed by the John Hopkins Center for American Indian Health. Family Spirit is evidence based and culturally sensitive to native families.

Home Visiting families I hope you can come to the PAO Annual Picnic-Potluck on August 22nd at Mt Scott Community Park. I will be there this year and look forward to seeing you! This is a great opportunity to connect with others in the community.

For more information please contact Lori Christy at 503-390-9494 or come talk to her at the PAO Annual Picnic-Potluck.

TEACHERS AND PARENTS: That USB Stick Might Be an E-cigarette

E-cigarettes are the most commonly used tobacco product among U.S. middle and high school students.

Some e-cigarettes don't look like tobacco products, so some kids use them unnoticed in schools, including in classrooms and bathrooms.

An increasingly popular e-cigarette, called JUUL, is shaped like a USB flash drive.

JUUL delivers a high dose of nicotine. Nicotine is highly addictive and can harm adolescent brain development.

TOBACCO PRODUCT USE IN ANY FORM, INCLUDING E-CIGARETTES, IS UNSAFE FOR YOUTH.

Reminder from the Siletz Clinic

The Siletz Clinic would like to remind parents an guardians that if you send your child to an appointment with someone other than yourself or other legal guardian, you will need to sign a "Release of Information".

This gives permission for another person to bring your child to appointments and for your child's provider to discuss the child's care with them.

If you have any questions, please call (541) 444-1030 or (800) 648-0449.

Thank you

Behavioral Health—Mental Health

Summer activities continue:

It's gotten hot, and people are looking for places to cool down. More people can be found around sources of water, and if you haven't reserved space at the coast, you may not get in that camping trip (happened to me last weekend!) With the heat comes an increase in irritability as our bodies naturally dehydrate. To help combat that irritability, remember to drink more water than you want to, take breaks, and seek out shade to rest in.

Summer experiences:

Many activities are being held by various programs in the Siletz tribe. One activity I got the honor of participating in recently was the 9 Tribes Suicide Prevention camp hosted by the Klamath tribe, June 19th—23rd. 11 youth from the Siletz tribe joined many youth from most of the other 9 tribes at Mountain Lakes Bible Camp and the surrounding areas, such as Crater Lake. Activities included learning how to make moccasins and hand drums, zip lining or a boat ride, and an adventure to Crater Lake where some youth jumped into the freezing cold water!

Traditional Coping

August is get yourself and your family to the Siletz Powwow. This year it is August 10—12 and will include a dance to honor survivors and those lost to sexual assault and domestic violence. It should be a powerful time of healing for the tribe. As always, be sure to remember our Elders, making sure they stay cool and hydrated.
