Help Us Find Missing Moccasins!

If someone does not have a good address and phone number on file with Enrollment, that person is considered a "Missing Moccasin." Please check the list on the Tribal website for anyone you might know.

Missing Moccasins do not receive their per capita check on time! In addition, Missing Moccasins do not receive this newspaper, election mail, 1099 forms and other important mail from the Tribe.

Are you a parent of a minor Tribal member who did not receive a statement of his/her Minor Trust account earlier this year? It could be that your CHILD is a Missing Moccasin. The list is updated monthly and more frequently throughout July and August.

For the list of Missing Moccasins, use your phone or tablet to scan the QR Code.

Do You Need Assistance Working in Oregon's Legal Marijuana Industry?

The 477 Self-Sufficiency Program may be able to provide limited support services to help you gain and maintain employment in Oregon's legal marijuana industry.

With funding provided by the Siletz Tribal Council, we can assist American Indians (enrolled in a federally recognized Tribe or descendant) who reside within the service area with licensing fees, background checks, testing fees, outdoor work clothing/tools and transportation assistance.

For more information on how to access this service, please contact the 477 Self-Sufficiency Program located in each of the four area offices.
