Childcare Assistance Program is Expanding Services

The CTSI Childcare Assistance Program has expanded the definition of an "Indian child" for the FY 2020 application.

We can now serve children who are under age 13 and live in the 11-county service area who are the descendent or dependent of an enrolled Siletz Tribal member. Parents must be working or enrolled in college or job training in order to be eligible for this program.

If you are interested in applying for the Childcare Assistance Program, call DeAnn Brown at 541-444-2450.

Siletz Community Health Clinic

Important Schedule Changes Coming February 3, 2020

In an effort to improve care and access, the clinic is restructuring same-day visits. The goal is to:

- Increase access to your primary care provider for acute services such as: sore throat, flu symptoms, UTI, migraines, hives, rash, etc.
- Reduce your wait time at the clinic

Questions and Answers:

1. Will the walk-in clinic be available?

- a. No, you will call and schedule a same-day appointment instead of showing up for the walk-in clinic.

2. Why is the clinic no longer offering the walk-in clinic?

- a. To reduce patient wait times.
- b. To improve your comprehensive care.

3. If I wake up sick and there is no walk-in clinic, will I be able to see a provider quickly?

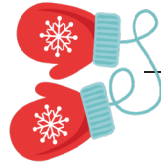

- a. Yes. Each provider will have same-day access appointments available. You will call the clinic and be given an appointment time for that day or the next day.

4. Am I able to schedule a same-day appointment for routine care?

- a. No. Same-day appointments are shorter appointments. For routine care, you will schedule a longer appointment time with your provider.

5. When will the walk-in clinic change to same-day access visits?

- a. February 3, 2020
