A campaign that began after a ruling by the Italian Supreme Court where a rape conviction was overturned because the justices felt that since the victim was wearing tight jeans she must have helped the person who raped her remove her jeans, thereby implying consent. The following day, the women in the Italian Parliament came to work wearing jeans in solidarity with the victim. You can join us in solidarity on **April 28** by wearing jeans.

Denim Day

Teal Tuesdays

Show your community that you support survivors of sexual violence by wearing teal every Tuesday in April. You can practice giving consent by sending a selfie of you in teal to the CARE Program and also get entered in a drawing at the end of the month!

Send your selfies to Kira Woosley at:
