Tribal Offices reopen Sept. 1

While we open our doors to the public, we also prioritize the safety of our staff, Tribal members and clients.

- Public access to administration buildings – appointments are preferred. If a member of the public arrives as a “walk-in” staff will accommodate as soon as possible. Masks are required for staff and visitors.
- Public events – outdoor events to resume. Indoor events require social distancing and safety protocols published and in place.
- Transportation services – resuming full transportation services. Masks are required for driver and client.
- Tribal/program services – online options preferred for services and meetings; hybrid options also available.

National Dental Hygiene Month

The average person will consume about 3.4 pounds of candy by the end of October each year. That's a lot of candy! It's important to remember that with candy comes sugar and sticky things that get stuck in between your teeth. So to prevent tooth decay and gum infections which can spread throughout your body, please remember to brush and floss every day. Try avoiding sugary candies and opt for fruit or sugar free candies, those are going to be better choices at the end of the day. For diabetics this is especially important to avoid blood sugar spikes. Having good dental hygiene is an important habit for our youngest tribal members and our eldest elders. We can all take responsibility for sharing healthy lifestyle choices and healthy smiles for years to come.

Some Tips:

- Brush twice a day.
- Floss at least once a day.
- Rinse with mouthwash.
- Chew sugar free gum.
- Get a dental check up every 6 months, or at least once per year.
- Avoid sugary foods.

SILETZ TRIBAL VOCATIONAL REHABILITATION PROGRAM

OCTOBER AWARENESS: DYSLEXIA – A Reading Disorder

What is Dyslexia?

Dyslexia is a learning disorder that affects reading, spelling and writing. Individuals with this condition have normal intelligence. They may struggle with reading and phonics (articulation). The individual may switch letters or have difficulty decoding sounds.

Risk Factors:

- ✚ Family history
- ✚ Premature birth or low birth weight
- ✚ Exposure to alcohol or drugs, ie., nicotine during pregnancy
- ✚ Infection that alters the developing brain in the womb.

Symptoms: Individuals may have difficulty in reading, memorizing, and identifying words, including:

- ✚ Delay in speech
- ✚ Issue recalling or naming letters, numbers and colors
- ✚ Misspells words
- ✚ Difficulty with learning numbers
- ✚ Trouble learning

There is no single test to identify this condition. It does not require lab tests or imaging. It affects the part of the brain called the "Broca's" area (inferior frontal gyrus) that is involved in articulation and word analysis.

Types of Dyslexia:

Primary Dyslexia- most common type. It involves dysfunction of the left side of the brain and remains unchanged with age.

Developmental Dyslexia- There may be problems with brain development during the early stages of fetal development.

SILETZ TRIBAL VOCATIONAL REHABILITATION PROGRAM

OCTOBER 2022 ELDERS NEWSLETTER

Hello Everyone,

September just flew by it seemed, with school starting and the evenings getting cooler. Too bad about the fires down south made it so we did not get our Run to the Rogue event again this September. So, I am looking forward to Restoration in November! Two nights at the beach sounds lovely to me. Hope to see you all there. Remember to check with AJ Warren for rooms.

I want to wish all my Lane, Benton, and Linn County Elders a Happy Birthday for the month of October, (first names only). Happy Birthday wishes for Jamie, George, Terri, Dorothy, Ronald, Joseph, Charles, Esther, Andrew, and Lana. With bunches of wishes for good health, wealth, prosperity, love, a day/year filled with lots of happiness, hugs, laughter, and CAKE! Truly.

Good news about the EAO opening again for community events! Yeah!

First event for October will be a morning beading group. Jessica approved for us to meet on October 20th from 10 am till 12pm for beading group. Masks and social distancing are required while in the office. Bring a project to work on and your favorite drink and join us. I am going to be working on the pin kits the elders are making for the veterans. We want to have them all finished by restoration. I will try and get more kits sent to the area office before the 20th in case anyone else would like to work on them with me and Sherry and Adrienne.

Just let AJ Warren know if you want to get the Book Club ZOOM link invitation address and he will send you one. His email is ajw@ctsi.nsn.us and the Elders program phone number is 541-444-8212 for any questions.

Truly, Verdene McGuire. Eugene area Elders Representative, Lane, Linn, and Benton Counties

One Last Cut Wood for the Elders Day

The Tribal Natural Resources Committee and Natural Resources Department will sponsor one last “Cut Wood for the Elders Day” of the year on Saturday, October 15th. The woodcut will be held on the Tribe’s Logsden Road Property to the right of the Tribal Food Distribution Warehouse in Siletz. We need lots of volunteers to help cut, split and deliver firewood for Tribal elders. Bring your chainsaws, hydraulic wood splitters, splitting mauls, axes, and lots of energy. Even if you don’t have any of those we can use the moral support! Lunch, drinks, and snacks will be provided. We will start at 8:00 AM and go until around 2:00 pm.

The primary goal of this event will be to deliver firewood to elders that did not get wood at the last woodcut. People willing to haul firewood to elders outside of the Siletz area, please contact the Elders Program Clerk at 1-800-922-1399 ext. 1212 or 541-444-8212 to be paired up with an elder in need. We especially need folks who can haul wood to the Eugene, Salem, and Portland areas. Elders in need of firewood should also contact the Elders Program Clerk to get their name on the delivery list.

If you have parents or grandparents that burn wood in the winter to stay warm, you need to help out at this event!
