- *Women over the age of 60 are particularly at risk.*
- *Women whose mothers, sisters or daughters have breast cancer.*
- *Women who have had breast cancer that was treated in the past are at greater risk for reoccurrence.*
- *Women who started their periods before the age of 12.*
- *Women who do not have children or have their first child after the age of 30.*
- *Women who were put on hormone therapy after menopause.*
- *People with a high fat diet.*
- *People with a low fiber diet.*

Know your body so you will know if there are any changes.

In addition, mammograms are recommended starting at age 40, or earlier depending on family history or clinical indication. Also, women are encouraged to get yearly clinical breast exam by their medical care provider.

I hope you are all staying safe and recovering from the last several crazy months. Let's all get back to our normal routine. If you have a facemask, wear it or don't..... If you want a facemask, ask and we will get you one. If you are uncomfortable picking up your food, ask your designated authorized representative (or call and designate someone) to get your food. The most important thing right now is to just be safe. If you lost your home to wildfire, and you now have a place to stay, we can replace the foods you lost. Just let us know and we can go back to your previous shopping list and replace the foods.

2020 DEER EARLY BOW TAGS

Tribal hunters who were issued deer early archery tags from the Siletz Tribe for the 8/29/2020-9/27/2020 season are required to return UNFILLED early season tags to the Natural Resources Department no later than October 9, 2020. This is a change in practice from recent years. The interest in bow hunting has increased and the number of deer archery tags is limited to 50 total for the split seasons. All UNFILLED deer bow tags must be returned by 10/9/2020 to be available for requests for deer late archery season. The first distribution of deer late bow tags is for tribal hunters who did not receive a tag during the early season. The first distribution day for deer late bow tags is October 19, 2020. Due to Covid-19 hunting and fishing licenses and tags are being delivered by mail only. Call Natural Resources at (541) 444-8227, (541) 444-8232, or 800-922-1399, ext. 1232 for assistance.
