## **New deadline for 2018 College Students Summer Internship Program**

The deadline to apply for the Tribe's 2018 College Students Summer Internship Program has been moved up to March 16, 2018. Selecting students earlier will allow more time to develop relevant work site placements so students can start internships in late June or early July.

To be eligible you must be at least a half-time student attending a two-year or four-year college and in good academic standing.

Applications will be mailed to known students, but if you do not receive an application, please contact Assistant General Manager Bonnie Petersen or the education specialists at any Tribal area office to request an application.

This program helps Tribal students locate internship placements to gain work experience in their field of study. Ten slots are available for 2018.

Students can work up to 360 hours at Tribal minimum wage and can be placed within or outside of the Tribe. Placements can begin in June, but must be completed by Sept. 28, 2018.

Students selected for the program must complete an orientation, criminal history background check and drug screening (Note: The Tribe does not recognize Oregon laws allowing the use of medical or recreational marijuana.)

Students should send a completed application and an unofficial copy of transcripts to:
