Volunteer to Cut Wood for Tribal Elders

The Tribal Natural Resources Committee and Natural Resources Department will sponsor the first Cut Wood for the Elders Day of the year on **Saturday, May 20.**

The woodcut will be held on the **Tribe's Logsden Road Property between the Tribal food distribution warehouse and the Tribal vehicle storage yard in Siletz.**

We need lots of volunteers to help cut, split and deliver firewood for Tribal elders. Bring your chain-saws, hydraulic wood splitters, splitting mauls, axes and lots of energy. Lunch, drinks and snacks will be provided. We will start at **8 a.m.** and go until around 2 p.m.

The goal of this event is to deliver firewood to as many elders as possible. The Elders Program maintains a list of elders who burn wood for their winter heat.

People willing to haul firewood to elders outside of the Siletz area should contact the Elders Program clerk at 800-922-1399, ext. 1261, or 541-444-8261 to be paired up with an elder in need. We especially need folks who can haul wood to the Eugene, Salem and Portland areas.

Elders in need of firewood also should contact the Elders Program clerk to get their name on the delivery list.

If you have parents or grandparents who burn wood in the winter to stay warm, you need to help out at this event! Help replenish those wood piles after a long cold winter.

Be sure to mark your calendars for the next two woodcuts this year that will be held on July 15 and Sept. 16.

An Advance Care Directive is a legal document that allows you to communicate what type of life-sustaining medical care you would want if you were in the hospital and ever became unable to speak for yourself. In other words, an Advance Care Directive is a set of instructions that express your health care desires if you are in a close-to-death medical condition and become incapable of letting others know what level of life-sustaining interventions you desire.
