Funded Orthodontic Treatment Screening

The 2021 Funded Orthodontic Treatment Program is fast approaching! All interested parties should contact the Dental Department to be placed on a list. The screening dates are Aug. 11 and Aug. 24, 2021. The program and amount of accepted applicants will be dependent on the funding for that year. Applicants are selected by case severity,

motivation of the patient and guardian, reliable transportation, routine dental checkups and the oral hygiene history of the patient, to name a few. We want the best results possible for the patient and thus place emphasis on these items in order to achieve this. The unbiased selection process is performed under the guidance of an orthodontic specialist and chosen through a committee.

This program is open to all ages who are PRC-eligible only. Must have a scheduled screening appointment during one of the two screening days to be considered. Each year's selection process is independent from previous years and does not carry over. Selected and treated individuals can only be selected once for the duration of the program. All applicants will be notified by mail if they have been chosen.

Please contact the Siletz Dental Clinic, 541-444-9681, to be put on the list.
