Apply Now for Siletz Tribal Head Start

Apply now for your child to attend our Head Start program. We have classrooms in Siletz, Lincoln City, Portland and Salem. We give a preference for enrollment to children who are American Indian but you do not have to be American Indian in order to attend.

Our program offers round-trip transportation, two meals each class day, structured learning activities to support children's school readiness skills, health screenings, family events, parent training and services to support family success.

To apply, call us at 541-444-2450 and ask for Head Start.

Childcare Assistance Program expands eligibility for Tribal families

The Tribal Childcare Assistance Program has received an increase in funding from the CCDF Coronavirus Relief and Response Supplemental Act. With this increase in funding, we requested approval from the Office of Child Care to temporarily waive the income eligibility requirement for all Tribal families living in the 11-county service area and to increase payment rates for family home providers.

The approval to waive the income eligibility will be in affect while the state and/or Tribe is in a declared emergency and can continue

for three months following the suspension of the declared emergency as long as funding is sufficient.

Families must meet other eligibility requirements, which include living in the 11-county service area; parents must be working, engaged in education or in a job training program; and children must be enrolled Siletz Tribal members or eligible to enroll Siletz, or be the descendant or dependent of an enrolled Siletz Tribal member.

To request an application, contact DeAnn Brown by email at deannb@ctsi.nsn.us or by telephone at 541-444-2450.

Dental services eligible for PRC payment even if you live near Siletz Clinic or IHS facility

PRC-eligible patients (Tribal members, dependents, pregnancy) who live within 40-miles of the Siletz Clinic or an IHS facility are now eligible to obtain services at an outside dental facility.

Due to safety measures taken in response to COVID-19, the Siletz Dental Department currently operates on a reduced schedule, which impacts its ability to serve all Tribal members who want oral care. PRC-eligible services will be the same types of services you would be eligible for at the Siletz Clinic or another IHS facility. You do NOT need a referral, but you will NEED to call PRC for an authorization number.

If you are unsure if specific dental services will be paid, contact PRC at 541-444-1236.
