ACP Affordable Connectivity Program

Save up to \$75 a month on
your internet service bill

The Affordable Connectivity Program (ACP) is a new federal program that helps low income families afford the cost of having internet service at home.

ACP Participants Receive:

- Up to a \$75/month discount if your household is on qualifying Tribal lands
- A one-time discount of up to \$100 for a laptop, tablet, or desktop computer (with a co-payment of more than \$10 but less than \$50)

Who Qualifies?

There are four ways your household can qualify for the Affordable Connectivity Program (ACP):

- Based on your household income
- If you or your child or dependent participate in certain government assistance programs such as SNAP, Medicaid, WIC, or other programs
- If you or your child or dependent already receives a Lifeline benefit
- You may also qualify for the ACP through a participating internet provider's existing low-income program.

If you or someone in your household participates in one of these programs you are automatically eligible for ACP:

- Supplemental Nutrition Assistance Program (SNAP)
- Medicaid
- Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance (FPHA)
- Veterans Pension and Survivors Benefit
- Free and Reduced-Price School Lunch Program or School Breakfast Program, current award year

"...This project is a labor of love. It has found me and inspired a mission of raising awareness and honoring the memory of those lost. I hope it helps those still here heal, even if only a very small amount. Perhaps it will help someone still suffering gain the courage to get help. You are not alone, you are not without hope, we are your sisters and we are here beside you." - **Nayana LaFond**
