Set I. Siletz Letters

Question	In your words	Textual evidence
Identify important details about the documents (such as authors, dates, location, recipients)		
What are the problems that the authors hope will be addressed?		
How do the authors feel about allotment—do they consider it a fair process?		
What are the biggest motivations for these Siletz people to fight for their land?		
What do the two letters have in common? How are they different?

Set II. Government Talk

Question	In your words	Textual evidence
Identify important details about the documents (such as authors, dates, location, recipients)		
Who are the audiences for the documents? Who are the authors/speakers trying to convince?		
According to the authors/speakers, how valuable is the unallotted land on the Siletz reservation?		
Why does the government want to acquire this land?		
How would you explain the discrepancies (differences) between the two accounts?
