Join the CARE Program

Wednesday, April 24th for
Denim Day!

Wear jeans with a purpose—
support survivors and educate
yourself and others about all
forms of sexual violence.

CARE Program
541-444-9638

The Denim Day story begins in Italy in 1992, when an 18-year old girl was raped by the 45-year old driving instructor who was taking her to her very first driving lesson. He took her to an isolated road, pulled her out of the car, removed her jeans and forcefully raped her.

She reports the rape and the perpetrator is arrested and prosecuted. He is then convicted of rape and sentenced to jail. Years later, he appealed the conviction claiming that they had consensual sex. The Italian Supreme Court overturned the conviction and the perpetrator was released. A statement from the Court argued that because the victim was wearing very tight jeans, she had to help him remove them, and by removing the jeans it was not rape but consensual sex. This became known throughout Italy as the “jeans alibi.”

Enraged by the verdict, the women in the Italian Parliament launched a protest wearing jeans on the steps of the Supreme Court. This protest was picked up by international media which inspired the California Senate and Assembly to do the same on the steps of the Capitol in Sacramento. Patti Occhiuzzo Giggans, Executive Director of Peace Over Violence, saw this in the media and thought everyone should be wearing jeans to protest all of the myths about why women and girls are raped. Denim Day in LA was born. The first Denim Day in LA event was held in April of 1999, and has continued annually since.

Eugene area elder's info, news and events

We usually celebrate Easter Sunday in April, but they snapped it in early this year. I hope everyone had a hopping good time!

We have April birthday celebrations to remember this month. Wishing all the Lane, Benton, and Linn County Elders a Happy-Happy Birthday. Happy Birthday to Tonya, Sandra, Michael, Stella, Nathan, Kenneth, and Roy, with warm wishes for good health, wealth, prosperity, love, a day, and year - filled with lots of happiness, hugs, laughter, and CAKE! Truly.

I want to give a warm shout out to Nick Viles for teaching us bear grass braiding at the culture craft night last month. Oh my goodness! It clicked into my brain this time. I have been trying to learn and remember the steps for years now. Thank you Nick,

you're the best!

Reminders:

The bead group for April will be on Tuesday, April 16, from 12-2 p.m. After the bead group you can pick up fresh produce for the week.

The book club is coming right along with Joshua Eddings as facilitator. The next reading will be April 23. We discussed chapters 4-5 in March. The Art of Ceremony by Rebecca J Dobkins. It is a beautiful book, which covers subjects that include all nine tribes of Oregon. His email is Joshua_BookClub@proton.me let him know you are interested, and he will add you to the next Zoom invite list. It's a great read.

Family Literacy Night will be on Wednesday, April 24, at 5 p.m. Always a fun event for all ages.

Be well and stay positive and kind. Till next month...

Truly,

The Portland Area office hosted a Health and Resource Fair, on March 21, 2024, which was generously sponsored by Trillium Community Health Plan. This fair was open to all community members, to learn about resources in the tri-county area including Siletz Tribal Programs.

We had 19 tables with various community organizations and businesses that attended. Some of these include, the Native American Program Legal Aid Services of Oregon (NAPOLS), METRO, Oregon Zoo, Future Generations, Central City Concern (CCC), Tri- Met, NAYA.

We featured a pop-up Native market in the downstairs office area. There were 9 tables of different products such as bead work, fish, herbs and art. This was a way for native entrepreneurs to get their products out to the community and make some money.

We had many community and Tribal Members that attended throughout the day's event. We provided snacks and raffles prizes for attendees visiting all tables. Overall this was a successful resource fair and we hope to do this again in the future.

GARDEN COMPOST

We're Celebrating Earth Day 2024

April 20, 2024

with

FREE COMPOST

In celebration of Earth Day, our local waste haulers are again providing free compost!

- One Pickup Load Per Customer (while supplies last)
- 4 Locations (Newport, Lincoln City, Toledo, and Waldport)

Each year, yard debris and mixed compostables are collected locally and hauled to an organics processor in the Willamette Valley, where it is ground up and made into rich garden compost. Diverting this waste saves tons of landfill space and produces a quality product for farmers and gardeners to enrich their soils. Local waste haulers are celebrating Earth Day by trucking back some of this rich finished product for their customers to use in their gardens.

Remember, compost is a soil amendment. Sprinkle about 1/2-inch compost around garden beds, or spread compost up to 2 inches deep if you turn the compost deep into the soil. Never put plants directly into compost.

Cool Fact

The mixed compostables and yard debris collected at the curb is usually finished compost in just 70 days!
