GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

Ordinance Number 10.300. Resolution No. 2017-374; Amended by Resolution No. 2024-240, dated July 19, 2024.

Original Date: November 16, 2017
Subject: General Welfare

GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

§ 10.300 General

This Ordinance shall be known as The Confederated Tribes of Siletz Indians General Welfare Ordinance.

(a) **Purpose.** The first purpose of this Ordinance is to memorialize the procedures and eligibility criteria used by the Tribe to determine what services or programs are needed to promote public health, safety and other basic need services for the promotion of the general welfare of the Tribe such as sewer, water, electrical service / power, infrastructure, housing, public sanitation services, public education and other such functions that support the long historical and cultural general welfare of the Tribe. The second purpose of this Ordinance is to establish basic guidelines and procedures for programs to follow in ensuring compliance with the general welfare doctrine and Internal Revenue Code Section 139E.

(b) **Background and Intent.** The Confederated Tribes of Siletz Indians ("Tribe"), a federally recognized Indian Tribe, exercises its inherent rights of sovereignty to promote the general welfare of the Tribe, its self-determination, culture, and tradition, by providing general welfare assistance and services, including Indian general welfare benefits within the meaning of Internal Revenue Code Section 139E. Both the United States Congress, through its enactment of the Tribal General Welfare Exclusion Act of 2014, and the Internal Revenue Service, through its traditional application of the general welfare doctrine, have long recognized the sovereign right of Indian tribal governments to provide financial and other assistance to individuals under certain circumstances on a non-taxable basis. This Ordinance is intended to affirm the Tribe's inherent sovereign rights to promote the general welfare of the Tribe and provide qualifying assistance and program benefits on a tax free basis. In this regard, the Constitution of the Tribe confirms the sovereign duty and responsibility of The Confederated Tribes of Siletz Indians to maintain the culture and independence of the Tribe and its members, to encourage the economic well-

being of its members, and to promote the rights of its members and their common welfare. The Assistance authorized by this Ordinance is intended to qualify for tax free treatment to the fullest extent permitted at law. Without limitation, the following benefits shall be treated as non-taxable hereunder:

- (1) Benefits that satisfy the requirements for exemption under Code Section 139E;
- (2) Benefits that are provided under an IRS Safe Harbor Program;
- (3) Benefits that qualify for exclusion under the IRS General Test; or
- (4) Benefits that meet another express exemption under the Internal Revenue Code, such as the exemption provided for tribal medical expenses under Internal Revenue Code Section 139D, or that meet other recognized exemptions including, for, example, resource or land-based exemptions under 25 U.S.C. Sections 117a-b, 1407 and 1408.

(c) **Definitions.** In construing the provisions of this Ordinance, the following words and phrases shall have the meanings designated in this section unless a different meaning is expressly provided or the context provides otherwise.

- (1) **“Assistance”** Any Program benefits, services or payments that qualify for tax free treatment under the General Welfare Exclusion.
- (2) **“Beneficiary”** Any person or persons entitled to receive Assistance in accordance with specific Program guidelines. Programs designed to qualify for exemption under Code Section 139E may benefit Members, spouses of a Member, and/or Dependents of a Member. Programs designed to meet the Safe Harbor may benefit any Member or Qualified Nonmember.
- (3) **“Code”** means the Internal Revenue Code of 1986, as amended.
- (4) **“Compensation”** for services should reflect that qualifying Programs are not disguised employment. However, this shall not prevent the Tribe from structuring Programs with community service ties so long as such ties are consistent with the General Welfare Exclusion. For example, Programs similar to the Workforce Investment Act may include tax free Assistance.
- (5) **“Constitution”** means the Constitution of The Confederated Tribes of Siletz Indians.

- (10) **“Lavish”** or **“Extravagant”** Except as otherwise required for compliance with final guidance issued under Code Section 139E following consultation, lavish and extravagant shall be determined by the Tribal Council in its sole discretion based on all facts and circumstances, taking into account needs unique to the Tribe as well as the social purpose being served by the particular Assistance at hand.

Siletz Tribal Code § 10.300

(24) “**Tribal Council**” or “**Council**” means the Siletz Indians Tribal Council.

§ 10.301 Ratification of Prior Acts; Intent of Legislation

This Ordinance does not establish a new program or programs. This Ordinance is intended to memorialize and confirm existing procedures used in the administration of general welfare assistance programs and services and is not to be construed as the creation of new general welfare assistance rights that previously did not exist. Assistance provided prior to the enactment of this Ordinance is hereby ratified and confirmed as general welfare assistance as provided for by this Ordinance, federal tax law and regulation, and pursuant to the authority of the Tribal Constitution. It is intended to establish a framework to improve the coordination of general welfare doctrine compliance. Programs and services referred to herein must be authorized by independent action of the Council or its designees.

§ 10.302 General Welfare Doctrine; Rules of Construction

(a) The Internal Revenue Service has historically recognized that payments by a Tribal government to Tribal Members under a legislatively provided social benefit program for the promotion of the general welfare of the Tribe are excludable from the gross income of those Tribal Members who receive said payments. On December 5, 2011, the United States Treasury Department and IRS published Notice 2011-94 as part of an initiative to conduct consultation on ways to improve guidance on tribal general welfare matters. Notice 2011-94 invited comments from tribal governments concerning the application of the general welfare exclusion to Indian tribal government programs. The Tribe participated in that process through comments and supported similar efforts by the National Congress of American Indians, the United South and Eastern Tribes, Inc., the California Association of Tribal Governments and the Affiliated Tribes of the Northwest Indians, all seeking clarity with regard to the sovereign right of tribes to provide tax free assistance based on non-financial need criteria including the preservation of culture and tradition.

(b) On December 5, 2012, the IRS and Treasury Department issued Notice 2012-75 proposing new guidance and providing interim relief under the general welfare exclusion for Programs that meet designated safe harbor rules. The Tribe asserted all protections provided under the proposed rule and made certain operational changes to Programs where possible to secure additional Member protections under the interim relief. On June 3, 2014, the Treasury Department issued final guidance in the form of Revenue Procedure 2014-35 confirming that IRS will not tax Member Assistance that meets designated IRS safe harbor requirements.

(c) In September of 2014, tribes and tribal organizations worked with the United States Congress to clarify that Bills then pending in the House (H.R. 3043) and in the Senate (S.B. 1507) were in fact intended to expand tribal general welfare exclusion rights and build upon the safe harbor and general test relief previously recognized by the IRS. On September 17,

GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

2014, Senators Moran and Heitkamp, co-sponsors of S.B. 1507, engaged in a colloquy with the Chairman of the Senate Finance Committee, Senator Wyden, on the Congressional Record of the Senate confirming their understanding and intent that:

- (1) IRS would apply S.B. 1507 “no less favorable than the safe harbor approach provided for in Revenue Procedure 2014-35, and that in no event will IRS require an individualized determination of financial need where a tribal Program meets all other requirements of new section 139E as added by the bill.”
- (2) The bill requires that “any ambiguities in new Code section 139E shall be resolved by the IRS in favor of Indian Tribal governments and deference shall be given to Indian Tribal governments for programs administered and authorized by the Tribe to benefit the general welfare of the Tribal community.”
- (3) It “would be contrary to the intent of Congress” if IRS were to “take the occasion of passage of H.R. 3043 or S. 1507 to retrench, narrow or possibly withdraw the administrative guidance provided in Rev. Proc. 2014-35 after enactment of the bill.”
- (4) The Congressional intent “is to expand rather than restrict the safe harbor provisions in Rev. Proc. 2014-35.”
- (5) “The purpose of this legislation is to further empower Tribal self-determination.”
- (6) “Tribal governments have a long history of providing critical benefits to Tribal Members, and these programs are fundamental to the sovereignty and cultural integrity of tribes. Tribes, and not the IRS, are in the best position to determine the needs of their members and provide for the general welfare of their tribal citizens and communities.”
- (7) On September 18, 2014, the Tribal General Welfare Exclusion Act of 2014 passed both houses of Congress, and was signed into law on September 29, 2014 (codified at IRS Code Section 139E). The Tribal Council now expressly embraces the forgoing principles as an integral part of this Ordinance and as guiding principles in construing the Tribe’s compliance with Code Section 139E, the Safe Harbor Rules, and the General Test.
- (8) The assistance payments and services authorized by this Ordinance are

GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

intended to qualify for favorable tax treatment under the general welfare doctrine to the fullest extent permitted by law and shall be construed accordingly.

§ 10.303 Non-Resource Designation

General welfare services and payments hereunder are paid from assets of Tribal government; all payments are based on budget availability of the Tribal government, and the Tribal government does not guarantee any payments hereunder. Benefits paid hereunder on the basis of need shall not be treated as a resource of the Member for any purpose. The Council reserves the right to cancel, adjust, modify or revoke any benefits that are treated as a resource of the Tribal Member.

§ 10.304 Federal Trust Obligations; Executive Orders

The Tribe reserves the right to provide Assistance including circumstances where federal funding is insufficient to operate federal programs designed to benefit Tribal Members and when federal funding is insufficient to adequately and consistently fulfill federal trust obligations. The Tribe's adoption of Approved Programs is not intended to relieve or diminish the federal government of its funding and trust responsibilities. Nothing herein shall waive the Tribe's right to seek funding shortfalls or to enforce the trust rights of the Tribe and its members. The Tribe shall be entitled to government-to-government consultation and coordination rights in regard to this Ordinance.

§ 10.305 Indian General Welfare Benefits (Code Section 139E)

(a) Programs that meet the following criteria for exemption under Code Section 139E shall be treated as non-taxable Assistance under the General Welfare Exclusion without the applicant having to demonstrate individual need.

(b) General Criteria for Qualification under Code Section 139E: Each payment made or service provided to or on behalf of a Member (or any Spouse or Dependent of the Member) pursuant to a Program under this Ordinance shall be treated as non-taxable Assistance under the General Welfare Exclusion so long as the following criteria are met:

- (1) The Program is administered under specified guidelines and does not discriminate in favor of the members of the governing body of the Tribe;
- (2) Program benefits are available to any Tribal Member who meets such guidelines;
- (3) Program benefits are for the "promotion of the general welfare";

GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

- (4) Program benefits are not Lavish or Extravagant; and
- (5) Program benefits are not Compensation for services.

(c) Ceremonial Activities: Any items of cultural significance, reimbursement of costs, or cash honorarium for participation in cultural or ceremonial activities for the transmission of tribal culture shall not be treated as Compensation for services.

(d) Special Effective Dates: Code Section 139E is effective for Assistance in taxable years for which the period of limitations on a refund or credit under Code Section 6511 has not expired. If the period of limitation on a refund or credit resulting from the application of Code Section 139E (a) would otherwise expire before the one-year period beginning on the date of the enactment of Code Section 139E, a refund or credit (to the extent attributed thereto) may be made or allowed if a claim is filed before the close of such one-year period.

§ 10.306 Safe Harbor Programs

(a) Programs that meet the following general criteria for safe harbor treatment, and provide qualifying safe harbor benefits, shall be treated as non-taxable Assistance under the General Welfare Exclusion without the applicant having to demonstrate individual need:

- (1) General Criteria for Safe Harbor Treatment: Each Safe Harbor Program shall satisfy the following general criteria:
 - (A) The benefit is provided under a specific Approved Program of the Tribe.
 - (B) The Program has written guidelines specifying how individuals may qualify for the benefit.
 - (C) The benefit is available to any tribal member, Qualified Nonmember, or identified group of Tribal Members or Qualified Nonmembers who satisfy the Program guidelines, subject to budgetary restraints.
 - (D) The distribution of benefits from the Program does not discriminate in favor of the governing body of the Tribe.
 - (E) The benefit is not Compensation for services; and

circumstances.

- (2) **Qualifying Safe Harbor Benefits:** The following benefits may be provided under a Safe Harbor Program. The benefits listed in the parenthetical language herein are illustrative only, rather than an exhaustive list. - (vi) Pay the cost of nonprescription drugs (including but not limited to traditional Indian tribal medicines).
- (3) Compensation Safe Harbor: For Safe Harbor Programs, and subject to amendments to Revenue Procedure 2014-35 hereafter, the Tribe will presume that individual need is met for religious leaders or spiritual officials or leaders (including but not limited to medicine men, medicine women, and shamans) receiving the following benefits, and that the benefits do not represent Compensation for services: benefits provided under an Indian tribal governmental Program that are items of cultural significance that are not lavish or extravagant under the facts and circumstances or nominal cash honoraria provided to religious or spiritual officials or leaders (including but not limited to medicine men, medicine women, and shamans) to recognize their participation in cultural, religious, and social events (including but not limited to pow-wows, rite of passage ceremonies, funerals, wakes, burials, other bereavement events, and subsequent honoring events).

- (5) Non-Safe Harbor Programs: Nothing in this Ordinance or the IRS safe harbor guidance shall limit the Tribe's right to provide Assistance outside of the safe harbor rules.

§ 10.307 Programs Meeting the General Test

(a) Programs that do not qualify for non-taxable treatment under Code Section 139E or under an IRS Safe Harbor, will nonetheless be treated as non-taxable if Program benefits meet the General Test for treatment under the General Welfare Exclusion. For purposes of the General Test only, needs must be shown in one of the following manners:

- (1) Individual Needs. Certain Programs may be based on individual need, rather than an overall need of the Tribe. For those Programs, the Tribal Council may establish income guidelines unique to the Tribe or may use readily available income guidelines used by state or federal programs to

GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

demonstrate individual or family need. When individual or family need must be shown, the Program may take into account individual circumstances or extraordinary need to overcome presumptions based on income alone.

- (2) Community Needs. Certain Programs may be based on community needs, which are so important to the self-determination, culture and traditions of the Tribe that Assistance may be deemed necessary regardless of individual income or wealth. For example, states provide public education to all citizens regardless of individual income or wealth. Some Programs may address both individual and community-based needs. The Council reserves the right to require any applicant applying for consideration based on non-financial or community-based needs to demonstrate how the Program benefits will benefit the tribal community as a whole, including preservation of culture, tradition and self-determination. Approval based on non-financial need criteria is made on a facts and circumstances basis and will be guided by traditional values and culture. A Program will be deemed to be based on community or non-financial needs if so designated by the Council.

§ 10.308 Purpose

All Assistance disbursed pursuant to this Ordinance shall be designed to promote the general welfare, self-determination, culture and tradition of the Tribe. The Tribal Council shall establish objectives for the furtherance of the general welfare, self-determination, culture and tradition of the Tribe and assess progress on said objectives in connection with its budgeting and/or strategic planning process. Approved Programs shall be renewed, established, modified, or terminated based upon the needs of the Tribe as compared to the objectives set by the Council from time to time hereunder. All Programs hereunder shall provide a social benefit for the promotion of the general welfare of the Tribe and be limited to purposes consistent with treatment under this Ordinance. Such purposes may include, for example, and not by way of limitation, assistance for medical care, food, shelter, health, education, subsistence, housing, elder and disabled care, assistance to meet cultural, traditional and religious needs of the Tribe and its membership, and assistance to promote self-sufficiency, self-determination, Tribal image, entrepreneurship, and the employment of Tribal Members. Designation by the Tribal Council of a Program as falling under this Ordinance shall be conclusive evidence that the Tribal Council, following a good faith review of Tribal needs and goals, has determined that said Program is established to achieve a social benefit and to promote the general welfare of the Tribe.

§ 10.309 Eligibility and Application Procedures

GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

Each approved Program shall set forth the specific eligibility rules and limitations applied to that Program. Each designated department shall present program descriptions, which include eligibility rules and limitations, along with application forms and procedures, for approval by the Tribal Council or its designee. Only those descriptions, application forms and procedures which are approved by the Tribal Council or its designee shall be in force and effect. Program guidelines may limit benefits to an identified group of Members or Qualified Nonmembers, as applicable. All Programs may be limited by budget availability. In the absence of specific Program guidelines to the contrary, all Programs shall be deemed to incorporate eligibility criteria necessary for compliance with Code Section 139E.

§ 10.310 Limited Use of Assistance; Substantiation

All Assistance disbursed or provided pursuant to this Ordinance must be used for the purpose stated in the approved Program description, and any application for the applicable Assistance. The Tribe or its designee shall keep books or records deemed appropriate to demonstrate compliance with the Ordinance. Recipients of benefits hereunder are responsible for maintaining books or records as may be required for substantiation to the IRS for individual income tax purposes. In the event that Assistance payments and/or services are used or pledged for a purpose inconsistent with the purpose set forth in the applicable approved Program or the Member's application, the Tribal Council or its designee may require the repayment of the welfare assistance payment. The Tribal Council or its designee is authorized to offset any other payments owed to a Tribal member if such an offset is necessary to secure repayment of a welfare assistance payment in accordance with this Section.

§ 10.311 Limitation on Payments; Annual Budgeting

(a) Limitations on Welfare Assistance Payments. The Tribal Council, within its annual budgets, by resolution or by motion, may adopt guidelines establishing the maximum Assistance payments to be made to Tribal Members for certain specified purposes or programs or may delegate the establishment of such limitations to the program level. Such guidelines may also include, by way of example, factors to be considered in determining whether deviations from the general payment limitations should be permitted. Departments charged with administering particular programs may be delegated authority to adopt program guidelines to the extent not contrary to the overall guidelines and limitations established by the Tribal Council hereunder. In no event shall Assistance be lavish or extravagant.

(b) Annual Budgeting: Unfunded Program. The Tribal Council, through its annual budgeting process, by resolution or by motion, shall designate those funding sources that are available for the payment of Assistance benefits. Notwithstanding anything to the contrary, the Assistance payments authorized hereunder shall be "unfunded" for tax purposes and no Beneficiary shall have an interest in or right to any funds budgeted for or set aside for Assistance payments until actually paid. Assistance benefits shall remain assets of the Tribe until

GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

distributed, and the Approved Programs shall be administered to avoid premature taxation through the doctrines of constructive receipt and/or economic benefit.

§ 10.312 Forfeiture of General Welfare Assistance

(a) Forfeiture. Notwithstanding anything herein to the contrary, Assistance benefits may be revoked or forfeited for any Beneficiary who is found to have misapplied program funds or to have made any misrepresentations during the application process. Assistance may also be forfeited should said benefits be treated as a resource to the detriment of the Tribe or a Beneficiary. The Tribe shall have a right of recovery with regard to any excess or improper payments hereunder.

(b) Due Process. Each program shall offer procedures that afford a Beneficiary an opportunity to address forfeiture issues or concerns with the program director or designee.

(c) Anti-Alienation. A Tribal member's rights to apply for General Welfare assistance payments and/or services under this Ordinance are not subject to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, levy, attachment or garnishment by creditors.

§ 10.313 Programs not Limited to Means Testing

Programs that qualify under Code Section 139E or the IRS Safe Harbor shall not require a showing of individual need or means testing in order to achieve non-taxable treatment under the General Welfare Exclusion. The Tribe also reserves the right to provide community-based Programs and Programs based on non-financial need under the General Test that are not individually means tested. The Tribe recognizes that means testing can distort certain tribal cultural and community values. The Tribe has participated in consultation with the United States Treasury Department and IRS and will evaluate Programs periodically as guidance is further developed through consultation with the Tribe.

§ 10.314 Privacy; Information Sharing

The Tribe will maintain records regarding sensitive tribal and tribal Member matters, including tribal customs, religion and traditions, confidential from third party disclosures to the fullest extent permitted at law. If information is requested by IRS or other government agencies or third parties during a compliance review or examination, disclosures shall be limited to the extent necessary and required by law pending an effort to address such requests through consultation and other rights under Executive Order 13175 on a government-to-government basis. Confidential Tribal information shall not be shared in a manner that would open up additional disclosure, for example, under information sharing agreements the recipient may be subject to or under the Freedom of Information Act.

GENERAL WELFARE ORDINANCE

Siletz Tribal Code § 10.300

§ 10.315 Government-to-Government Relationship; Executive Order 13175

Coordination with IRS and the United States Treasury Department on General Welfare matters shall be grounded on a government-to-government relationship that recognizes the unique relationship between the federal government and the Tribal government. The federal government, as a result of its treaty obligations and trust responsibility, has committed to providing education, housing, clean water, and many other basic needs for Indian people. Through a conscientious shift in policy in recent decades, the federal government has encouraged the Tribe itself to provide for such needs in partnership with the federal government and, increasingly in recent years, instead of the federal government. Essential to the government-to-government relationship is mutual respect and deference to Tribal governance decisions. Future consultations on General Welfare matters should reflect these concerns and the fact that the Tribal government, through its own policy setting process, is best situated to determine the needs of the Tribe and its Members and the appropriate policy solutions. All references to Executive Order 13175 shall include any future amendments thereto.

§ 10.316 Other Tax Exemptions

Notwithstanding anything herein to the contrary, the Tribe reserves the right to waive income limits or needs basis criteria, to the extent otherwise applicable, for expenditures that otherwise qualify for tax exemptions including tax exemptions under Titles 25 or 26 of the United States Code so long as the conditions for exemption are met. Without limitation, this includes Member medical benefits exempt under Section 9021 of the Patient Protection and Affordable Care Act of 2010 (Code Section 139D) and per capita expenses exempt under 25 U.S.C. Sections 1407 and 1408.

§ 10.317 Governing Law

All rights and liabilities associated with the enactment of this Ordinance, or the welfare assistance payments made hereunder, shall be construed and enforced according to the laws of The Confederated Tribes of Siletz Indians.

§ 10.318 Severability

If any provision of this Ordinance is held to be invalid, the remainder of this Ordinance shall not be affected.
